FIG. 1 is a cross-sectional view of a device 2010. The device includes a substrate 2030, a layer 2021, and a layer 2022. A gap 2025 is formed between the layers. The device is shown in a cross-sectional view with hatching indicating different materials.

A cross-sectional view of a curved member 2040. The member has a curved upper surface and a lower surface. It is supported by a base 2070. The left end of the member is labeled 2051, and the right end is labeled 2052. The member is shown in a curved, arch-like shape.
